

Welcome to the Toddler Room

Adventure Kids Playcare new and existing families,

There are only a limited number of things that need to come in with your child on each visit to the Toddler room. The following is a list of items that should be in the red bag for each of your child's visits whether they are staying for 1 hour or 8 hours.

- **Diapers and/or pull ups**, labeled with first and last name
- **Diaper Cream (if needed)**, labeled with first and last name
- All **infant and toddler bottles and sippy cups** containing breast milk, formula, soy and cow's milk must be pre-mixed and individually labeled with first and last name, date and contents and all **bottles must be ready to serve**. In addition, each bottle must have its own nipple. Unfortunately, we do not have the resources to clean bottles/nipples in our center. Parents, pack one extra bottle and/or serving of food as infants feeding needs can vary by day.
- We are unable to accept **glass bottles/Pyrex, jars and food storage containers** in our center. Glass jars include baby food purchased from the store.
- **Food**, prepared and ready to serve, labeled with the child's first and last name and date. *AKP is unable to heat food from home*. Warmed food should be sent in a thermos. AKP follows feeding guidelines set by the state as well as printed label instruction. We are a **NUT free center!**
- **Change of clothes**, (2-3) for infants, (1-2) for toddlers (including underpants) clearly labeled with first and last name.

Due to fire and safety concerns, we are not able to store car seats or strollers at the center when you drop off your child. We do understand that this may be inconvenient for some of our families; however we must be in compliance with the fire and safety standards of our state.

All personal belongings must be clearly labeled with the child's first and last name. There will be a charge of \$1.00 for each diaper and \$3 dollars for each piece of clothing supplied by Adventure Kids. No outside toys or electronics are allowed in the center; Adventure Kids will not be responsible for any lost or broken items. Please contact us with any questions or concerns regarding the updates to our policies and procedures.
